Cogan Primary News

Looking forward to the Easter break...

We have had yet another successful term, despite the challenges of Covid and staffing. I am so very proud of the team at Cogan Primary and how everyone has pulled together to ensure we have remained open and the children are learning.

Dolygaer was a great success. All the year 6 children who attended had an amazing week challenging themselves in so many new activities such as crate stacking, kayaking, raft building, caving, stand up paddle boarding and the infamous night time zip wire etc... Many thanks to the staff who kindly gave up their own lives and families for the week to accompany the children. Year 5 will be pleased to know we have provisionally booked for next year!

Dinner money has increased from 1st April to £2.45 per meal. There is a comprehensive nutritional menu which caters from all tastes and choices. From September 2022, Foundation Phase children will be offered a free school dinner. More information to follow nearer the time.

We are at present, until the Easter holidays, operating our current Operation Policy regarding Covid. Please continue to test your child (LFT) if they have symptoms and isolate them at least five days. When they have two consecutive negatives or have completed ten days they can return to school. We are really trying to prevent the further spread of coronavirus, especially before the Easter holidays.

Our Value of the month is Hope. We are very hopeful that when we return after Easter we will be at full strength. Please see some advance dates overleaf for some exciting events in the summer term.

Here's to another productive and successful term. Please could I gently remind you about lateness, we have a few children coming in persistently late. New term, fresh start- it is very important that children do not miss out on learning at the start of the day.

Let's hope the sun shines and we all enjoy learning and working together.

Wishing you all a lovely Easter break.

Best wishes,
Mrs S M Sibert
