

Cogan Primary News

The end of a productive and busy year.

What a busy year! As the end of year is approaching, it is a time for reflection and celebration of all the wonderful work completed by your children. I would like to thank my staff for all their hard work caring for the children and developing the new Curriculum for Wales, providing beneficial lessons and tasks to ensure your children are progressing in all the necessary skills, knowledge and experiences. Our Llais curriculum is going from strength to strength and we are now looking forward to collaborating with other local schools to ensure a diet of non-negotiable skills, knowledge and experiences are delivered to all our children in the Penarth community. It is a very exciting time. I will keep you up to date with developments and changes next year. All information can be found on our new website www.coganprimaryschool.co.uk Please take a look. You will see there is also a new prospectus containing lots of useful and helpful information.

May I also take this opportunity to thank you. As parents you have supported us, as always. Our community is thriving and it was so lovely to see you all at recent community events such as Sports Day, the Jubilee Picnic and open afternoon. I am very excited for the future, leading an extended age range from September. It has been joyful to see the combined staff working and socialising together. My team is one of strength and I consider myself very lucky to lead such a group of passionate, committed professionals.

I would also like to also say how impressed I have been with the children. They have returned to school this year and have embraced all we have to offer. On a recent learning walk, myself and my deputy Mr Bennett, were so impressed with how the children embraced their learning and demonstrated such good behaviour and collaboration with their friends. It is delightful to see them learning in their environments, happily and independently. They are a credit to you, and again, this demonstrates the strength of our community school.

I am very much looking forward to the new academic year. Our last day this term will be Thursday 21st July for the children, I will be celebrating my daughter's success on becoming a doctor after many years of study, on that day at her graduation, so will miss you on the gate that afternoon. Wishing you all a safe and restful summer. Enjoy your family time. See you all on Wednesday 7th September 2022, when the children return for the new term.

Best wishes,
Mrs S M Sibert

Leave of Absence

Leave of absence forms need to be filled in if you are taking your child out of school for any reason. Holidays are unauthorised. These forms can be found on the new website from September 2022 or collected from the office this term.

Signing in at the office if you are late or returning to school

Many thanks to everyone for your punctuality. It is greatly appreciated that your child is on time for school, as they start the day positively and get all the input they need for their learning to progress. If however, you are arriving late due to appointments or otherwise. Please ensure you come into the office and sign in using the electronic sign in. This is of paramount importance for safeguarding reasons.
